OBJECTIVES

I am a Front-end developer whose main focus is to create awesome web and cross-platform mobile User Interfaces. I am seeking an opportunity to contribute to Institutions by implementing ideas, concepts, and methodologies learned thereby adding value to the organization. I possess the ability to stay focused and apply theoretical notions to reality. Excellent communication skills both oral and written. Flexible and adaptable to the demands of changing work environments.

RELEVANT SKILLS

Excellent communication skills both oral and written. Flexible and adaptable to the demands of changing work environments.
