ariyoadeoyepaul@gmail.com || <https://tonnipaul.live>

## OBJECTIVES

I am a Front-end developer whose main focus is to create awesome web and cross-platform mobile User Interfaces. I am seeking an opportunity to contribute to Institutions by implementing ideas, concepts, and methodologies learned thereby adding value to the organization. I possess the ability to stay focused and apply theoretical notions to reality. Excellent communication skills both oral and written. Flexible and adaptable to the demands of changing work environments.

## RELEVANT SKILLS

Excellent communication skills both oral and written. Flexible and adaptable to the demands of changing work environments.

- HTML
- CSS
- BOOTSTRAP
- JAVASCRIPT
- GIT
